You mince your words,
But my sword speaks the truth
Now, you must learn that
I am stronger than you
You slip and slide
But you can't hide
I challenge you to the death
Pistols at dawn
That suits me fine
Ain't no rush
Don't hold your breath
No heaven waits for you
Only your demise
Time to face the truth
And realize

Axe to Grind
Axe to Grind

I have an axe to grind with you
I really hate you, through and through
No matter what, what you do
Well I've got you now
Against the ropes
I'm going in for the kill
You are far beyond, beyond all hope
No heaven waits for you
Only your demise
Time to face the truth
And realize

Axe to Grind
Axe to Grind
Axe to Grind
Axe to Grind

No heaven waits for you
Only your demise
Time to face the truth
And realize

Axe to Grind

Axe to Grind
Axe to Grind
Axe to Grind
