I'm not the one
Who's running round and being snaky
I'm not the one who's got it down
Time after time, I try not acting crazy
With you, that's not an easy thing to do
So I'm pleading

Maybe it's time
Don't tell me, don't tell me
To draw the line, don't tell me it's time

Day after day
You talk to me in circles
I don't believe your little smile
I'm not the one
The one who's thinking crazy
I won't be walking down no aisle
So I'm pleading

Maybe it's time
Don't tell me, don't tell me
To draw the line, maybe it's time

Maybe it's time
Don't tell me, don't tell me
To draw the line, don't tell me it's time
May be it's time

Maybe it's time
Don't tell me, don't tell me
To draw the line, don't tell me it's time

Maybe it's time
Don't tell me, don't tell me
To draw the line, don't tell me it's time
