You don't make a move  
Don't make a sound  
I've got my eyes trained on you  
The target is found

You waited too long  
Soon you'll be gone  
I'd rather stand on my own

Ain't no more blanks left to fill  
In my list of sins  
I'm at the end of my rope

The louder you speak  
The less I hear  
I gotta let off some steam  
And driven by fear

Tell me I'm wrong  
'Cause this can't go on  
I'd rather stand on my own

Ain't no more blanks left to fill  
In my list of sins  
I'm at the end of my rope

Oh, yeah, yeah, yeah, ohh  
Leave me alone  
This can't go on  
Not anymore, no

Tell me I'm wrong  
'Cause this can't go on  
I'd rather stand on my own

Ain't no more blanks left to fill  
In my list of sins  
I'm at the end of my rope

You waited too long  
Listen and soon you'll be gone  
Yeah, yeah, yeah

Tell me I'm wrong  
'Cause this can't go on, no
