Sinking my teeth into you
Sweet obscenity
You're in too deep for your own good
I'm commanding thee

Succumb to me, set me free

Facing the animal
Walking the higher ground, yeah
Lost in a ritual
I close your eyes and kiss you twice, yeah
Facing the animal

The scent of your skin
Overpowers me, there is no remedy
It comes from within
The divinity

I just can't resist, must admit, I'm losing it

Facing the animal
Walking the higher ground, yeah
Lost in a ritual
I close your eyes and kiss you twice, yeah
Facing the animal

Hey, hey, hey, facing the animal
Walking the higher ground, yeah
Lost in a ritual
I close your eyes and kiss you twice, yeah

Facing the animal
Walking the higher ground, yeah
Lost in the ritual
I close my eyes and kiss you twice, yeah

Facing the animal, yeah
Lost in the ritual, oh, yeah yeah
