What's left for me to see
In my ship I sailed so far
What can the answer be
Don't know what the questions are.
And after all I've done
Still I cannot feel the sun
Tell me save me
In the end our lost souls must repent.
I must know it is for certain
Can it be the final curtain
As long as the wind will blow
I'll be searching high and low.
Who knows what's really true
They say the end is so near
Why are we all so cruel
We just fill ourselves with fear.
And heaven and hell will turn
All that we love shall burn
Hear me trust me
In the end our lost souls must repent.
I must know it is for certain
Can it be the final curtain
As long as the wind will blow
I'll be searching high and low.
Final curtain
Final curtain
