Now it's so clear
What I always feared
To walk that lonely road
Without you

And though I'm afraid
It's never too late
Now's the time to make our dream
Come true

Forever one
Eternal flame keeps burning on and on
Forever one
I hear the angels calling out your name

I felt so low
As the days turned cold
And our love
Will conquer all

You walked into my life
I was born again
Now's the time to make our dream
Come true

Forever one
Eternal flame keeps burning on and on
Forever one
I hear the angels calling out your name

Forever one
Eternal flame keeps burning on and on
Forever one
I hear the angels calling out your name
I hear the angels calling out your name

Forever one
Eternal flame keeps burning on and on
Forever one
I hear the angels calling out your name

Forever one

Eternal flame keeps burning on and on
Forever one
I hear the angels calling out your name
I hear the angels calling out your name
