I now will tell you all a story,
That no one ever heard before.
It is the tale about the fury,
Remember wisdom is your strength.

It said you're such a fool
Just let my evil rule

[Chorus]
No, it's burning like a flame,
Now nothing seems the same.
I've lost control of mind and body
My soul is in its hand
It's wish is my command.
Enslaved forever by the fury,
By the fury, no!

At first it came to me in visions,
And that was filling me with pain
And when my fear became desire,
To let the demon burn my soul.

It said "Don't fight in vain,"
"I'll make you love the pain."

[Chorus]
No, it's burning like a flame,
Now nothing seems the same.
I've lost control of mind and body
My soul is in its hand
It's wish is my command.
Enslaved forever by the fury,
By the fury, no!

I now have told you all my story
And still for you its not too late.
Don't draw your sword
Just use your wisdom
And never let this be your fate.

Oh, no it's here again,
This demon loves the pain.

[Chorus]
No, it's burning like a flame,
Now nothing seems the same.
I've lost control of mind and body
My soul is in its hand
It's wish is my command.
Enslaved forever by the fury,
By the fury, no!
