I told you once
And I told you twice
You will fall
And I will rise

Tell me now who's fooling who
One of us must surely die
It isn't me, it must be you
You're my holy sacrifice

Hairtrigger, telling you no lies
Hairtrigger, time to say goodbye

You will cry
And you will pray
There's no escape
It's judgment day

Deep inside you know too well
In my hands I hold your fate
In the end we'll meet in hell
You're my holy sacrifice

Hairtrigger, now the time has come
Hairtrigger, nowhere left to run

Hairtrigger
Hairtrigger

Hairtrigger, now the time has come
Hairtrigger, nowhere left to run
