On and on, my world keeps  
Spinnin' round and round  
I am so lost since you've gone away

Day after day I've been tryin'  
To find a way to make you see

I hate to wonder  
Why you don't realize  
I feel like I could die  
Just hold me one more time

I can't wait not for a lifetime  
I can't wait, I've been holding on  
I can't wait, tell me what to do  
I'll wait for you

Ooh, it's been so long  
I can't last another day

Day after day I've been tryin'  
To find a way to make you see  
Day after day I've been tryin'  
To find a way to make you see

I hate to wonder  
Why you don't realize  
I feel like I could die  
Just hold me one more time

I can't wait not for a lifetime  
I can't wait, I've been holding on  
I can't wait, tell me what to do  
I'll wait for you

I can't wait not for a lifetime  
I can't wait, I've been holding on  
I can't wait not for a lifetime  
I can't wait, I've been holding on

I can't wait not for a lifetime  
I can't wait, tell me what to do

I'll wait for you, oh, oh, oh
