I'd sacrifice, whatever's left of me
Been livin' lies then you set me free
You've given more than I ever had
I give to you all over again

We've grown so strong
Over and over again
Though things have gone wrong
My love

There is no higher love than we have
You know I'd die without you
There are no lies, we left them behind
I'd surely die without you
I've never tried, tried this hard
I've never cried, never gone so far
Even the Gods, can't set us apart
It's engraved deep in our hearts

We've grown so strong
Over and over again
Though things have gone wrong
My love

There is no higher love than we have
You know I'd die without you
There are no lies, we left them behind
I'd surely die without you
