I've been searching for you for so long  
My life's been sacrificed  
I've been longing for truth  
And now I have found all that in you

Like an angel you came to me  
And now I see  
The stranger in me is finally free  
To feel true love

From heaven I knew you were born  
On the wings of love you were brought to me  
I've been longing for truth journeyed so far  
To be with you

Like an angel you came to me  
And now I see  
The stranger in me is finally free  
To feel true love

Like an angel you came to me  
And now I see  
The stranger in me is finally free

Like an angel you came to me  
And now I see  
The stranger in me is finally free  
To feel true love
