Live by the sword
and never surrender
Die by the sword
don't give in
Now I must rise
take the journey
Blood, sweat and tears
is what you'll find
These wasted years
in mortal sin
Angels of death
always follow you
I must live to fight another day
I see the light again
You must learn
to burn
For eternity relentlessly
Oh, no!
The battle cries
are getting louder
It's time for you
to face the truth
No higher ground
you can run to
Must sacrifice
It's all or nothing
must lift the curse
That's haunting you
Forever lost
but never found
I must live to fight another day
I see the light again
You must learn
to burn
For eternity relentlessly
Oh, no!

I must live to fight another day
I see the light again
You must learn
to burn
For eternity relentlessly

Oh, no!
