I was old
When I was born
Was feeling cold
And my soul was torn

I walked alone
In solitude and sorrow
And I've been shown
I see tomorrow

Then I found you
And we were one
A new life found
A new life found
It's a miracle of life

My life has been
A journey full of hope
And all I've seen
Is the end of my rope

Well, I have lost
And I have won
Counting the cost
My faith was never gone

Then I found you
And we were one
A new life found
A new life found
It's a miracle of life

I've made the sacrifice
Lord knows I paid the price
A miracle of life

I always had a dream
It's never what it seems
A miracle of life

Then suddenly
A brand new soul

To share our happiness
A miracle of life

So it is true
It was meant to be
Always with you
Always with me

Then I found you
And we were one
A new life found
A new life found
It's a miracle of life

Then I found you
And we were one
A new life found
A new life found
It's a miracle of life
