Enough is enough
I'm nobody's fool, I won't take no more
Oh now I'm out the door
I won't live by anyone's rules

(We've had enough, can't take no more)
I feel it's safe to say, I'm on my own
(We've had enough, can't take no more)
It's just another lesson learned the way
No love lost

Life's like gettin' blood from a stone
We all live by cards that were dealt
I don't want no promises, don't want no lies
Go sell them to somebody else

(We've had enough, can't take no more)
I feel it's safe to say, I'm on my own
(We've had enough, can't take no more)
It's just another lesson learned the way
No love lost

(We've had enough, can't take no more)
I feel it's safe to say, I'm on my own
(We've had enough, can't take no more)
It's just another lesson learned the way
No love lost

(We've had enough, can't take no more)
I feel it's safe to say, I'm on my own
(We've had enough, can't take no more)
It's just another lesson learned the way
No love lost
No, no, no love lost
