I paint a smile on you  
'cause you want me to  
then I unmask you  
laughing in your face

If you had half a mind  
I wouldn't even try  
But you're so naive  
just can't let you be

Make me glorious  
and victorious  
I'm superior

Time to pay the price  
Throw off my disguise  
Poison in your veins  
So easily deceived  
The lie that you believe  
Poison in your veins

You follow my advice  
and feed my appetite  
What you leave behind  
I will claim as mine

In the end you'll see  
what you're meant to be  
Something obsolete  
mission is complete

Call me disgrace  
To the human race  
I don't give a damn

Time to pay the price  
Throw off my disguise  
Poison in your veins  
So easily deceived  
The lie that you believe  
Poison in your veins
