Born out of fire  
Evil rising  
Now we must pay the price  
And sacrifice  
It's no grand elution  
This demon dance  
Eternally black  
Now there's no turning back

Lift the veil of mystery  
And this masquerade  
Lay your weapons down  
Surrender now or die  
Die!

Priest of the unholy  
Priest of the unholy  
Burning with vengeance  
Burning forever  
There is no mercy to give  
No time to live  
The final curtain  
Comes down at last  
Repent all your sins  
All of your sins

Lift the veil of mystery  
And this masquerade  
Lay your weapons down  
Surrender now or die  
Die!

Priest of the unholy  
Priest of the unholy  
Into the darkness  
Your soul must fall  
Your gamble has failed  
Gamble has failed  
At the mountains of madness  
There will be no mercy  
We must pay the price  
And sacrifice

Lift the veil of mystery  
And this masquerade  
Lay your weapons down  
Surrender now or die  
Die!

Priest of the unholy
