I don't know for sure  
But I've been told  
I have lived before  
And I'll live again  
In a distant land  
In the Spirit Realm  
Not as the Heathen in the North  
Tarot  
Tarot  
Tarot  
Is there a crystal ball  
To enlighten me  
Anythin at all  
to make me see

What the future holds  
What has been before  
Like the seer from the East  
Not as the Heathen from the North  
Tarot  
Tarot  
Tarot  
Like the seer from the East  
Not as the Heathen from the North  
Tarot  
Tarot  
Tarot  
Tarot  
TAROT!
