There was no time to think  
Alternative solutions  
The sound of emptiness  
Runs through my head  
There is no time to cry out  
My inner delusions  
No more excuses with  
You to share

I hear the cries  
The silent emptiness  
Behind my eyes  
Tears me apart again  
I feel the ice  
Melting apart as I  
Stand right here  
Beyond what I believed

A dream out on the ocean  
Reflecting on the past  
Forgiveness in the future  
Time won't last  
Until the leaves have fallen  
We'll forget their pain  
Time will make you crawling  
Back to your past

There is a place  
Where self-pity is vanished  
A place located  
Far beyond the time  
The only reason for  
This inner fear to rise up  
Is when you expect that  
Everything must end

I hear the lies  
The empty words you hide  
Behind those eyes  
Tears you apart again  
You fear the time

When it arrives  
What will you do?  
What will you do?

A dream out on the ocean  
Reflecting on the past  
Forgiveness in the future  
Time won't last  
Until the leaves have fallen  
We'll forget their pain  
Time will make you crawling  
Back to your past

A dream out on the ocean  
Reflecting on the past  
Forgiveness in the future  
Time won't last  
Now the leaves have fallen  
And now you feel their pain  
Time now made you crawling  
Back to your past
