Im Killing for thrilling
my bloodlust fulfilling
Torture and hatred
why am I so hated

Im Killing for thrilling
my bloodlust fulfilling
Torture and hatred
why am I so hated
Im Killing for thrilling
my bloodlust fulfilling
Torture and hatred
why am I so hated - I know why you fear!!!

I know why you fear me
Im what you call the
BOUNTYKILLA
In your mind you know me
Cant deny
BOUNTYKILLA

They're screaming and screaming
intencesifies the feeling
youre back-stabbed and sliced
my senses satisfied

They're screaming and screaming
intencesifies the feeling
youre back-stabbed and sliced
my senses satisfied
They're screaming and screaming
intencesifies the feeling
youre back-stabbed and sliced
my senses satisfied - I know why you hate!!!

I know why you fear me
Im what you call the
BOUNTYKILLA
In your mind you know me
Cant deny
BOUNTYKILLA

Look at my hands they dont even shiver
Look at my eyes they dont even blink
The heat of the slay, it's makin' my day
Voice inside of me tells me what to be

Always straight-faced
Zero emotions
Total control
Raw to the core
X2

I know why you fear me
Im what you call bountykilla
In your mind you know me
Cant deny the BOUNTYKILLA
X4

I know why you fear me
Cant deny the BOUNTYKILLA!

I know why you fear me
Im what you call bountykilla
In your mind you know me
Cant deny the BOUNTYKILLA
X2

I know why you fear the BOUNTYKILLA
X4

I know why you fear me
Im what you call bountykilla
In your mind you know me
Cant deny the bountykilla

I know why you fear me
Im what you call bountykilla
In your mind you know me
I'll kill yaaaaaaaaa!!!!
