"I Deny"

Visit "[I Deny](#)" on MotoLyrics.com

Fucked up rules to follow
fucked up rules to obey
X2

I gotta walk
gotta go on, can not stay
I gotta walk
gotta go on, feeling safe

Closing in on target
Homing in on you
X2
Think you can walk?
I'm gonna ask you once again
Think you can walk?!
You gotta think twice - turn around

Why cant I deny, why cant I?
Why cant I deny - what ever comes to me
X2

Fucked up rules to follow
fucked up rules to obey
X2
I gotta walk
gotta go on, can not stay
I gotta walk
gotta go on, feeling safe

Why cant I deny, why cant I?
Why cant I deny - what ever comes to me
X2

There's nuttin you can do
There's nuttin inside of me
X4

Fucked up rules to follow
fucked up rules to obey
X2
I gotta walk
gotta go on, can not stay
I gotta walk

gotta go on, feeling safe

Why cant I deny, why cant I?
Why cant I deny - what ever comes to me
X2

There's nuttin you can do
What ever comes to me
There's nuttin inside of me
What ever comes to me
There's nuttin you can do
What ever comes to me
There's nuttin inside of me
