"Lie-Decrease"

Thrash your input
Shocked by the output we give
Thrash your falsehood
Counterfeit we'll see you through

Shock
Your system will be
Drained
When we deliver
Pain
You cannot meet our
Strenght
Is what we are

Crush your dreamland
You'll better wake up now
Crush the image
Your world does not exist

Shock
Your system will be
Drained
When we deliver
Pain
You cannot meet our
Strenght
Is what we are

Lie-Decrease
Lie-Decrease
Lie-Decrease
I'll see you through
Lie-Decrease
I'll see you through

Thrash your input
Shocked by the output we give
Thrash your falsehood
Counterfeit we'll see you through

Shock

Your system will be
Drained
When we deliver
Pain
You cannot meet our
Strenght
Is what we are

Lie-Decrease
Lie-Decrease
Lie-Decrease
I'll see you through
Lie-Decrease
I'll see you through

Lie-Decrease
Lie-Decrease
Lie-Decrease
I'll see you through
Lie-Decrease
I'll see you through
