Come, to see my place  
The biggest coolest theme park in the whole wide world  
Another world for all the bratz  
Can you see the monster coasters!  
I've conquered them all!!!!

A fun ride, a brown one, it was a crazy one  
Riding, crazy merry-go-round, goes round and round

come look at me, in my brand new suit.  
Chubby you say, super sleek, I tell you!  
I'm the crazy toon that no one loves.  
Creature you say, super sleek, I tell you!

Take me to your limit!

All these bratz, they run.  
they run around with sticky lollies all day long.  
want a picture, a picture, a picture for the frame.  
All the grannies .. they're all smelly little things.

step aside, I gotta go  
gotta gotta gotta go  
go go go  
get it over with

A fun ride, a brown one, it was a crazy one  
Riding, crazy merry-go-round, goes round and round

come look at me, in my brand new suit.  
Chubby you say, super sleek, I tell you!  
I'm the crazy toon that no one loves.  
Creature you say, super sleek, I tell you!

Take me to your limit!

Gonna see my friend in the extreme parrot exotic bird  
show.  
he tells me it's the best job.  
always the high-flying exotic extravaganza, yea yea...  
sure.

cause i'm the tazmanian devil!

Walking talking jumping around and around, Roll  
around, round

A brown one, riding a brown one, fun ride,  
a brown one, riding crazy merry-go-round, goes round  
and round

(sim)

the very super bright light idea.

get my weed down without blowing my splendid cover.

-Mommy, Taz's head is burning!

Take me to your limit!

come look at me, in my brand new suit.

Chubby you say, super sleek, I tell you!

I'm the crazy toon that no one loves.

Creature you say, super sleek, I tell you!

Take me to your limit!
