Come on - give me space, some room to be born
In this eagles eyes my own help is in the grasp of plain
nothing

Dedicated forward we say no more
This matter of reality, is this what you believe?
Storm thru our hell with no remorse
Give me wings to escape your matter of reality

And I know this world is nothing for you
given nothing to call your own
so if you just turn away - Chaos

Dedicated forward we say no more
Storm thru our hell with no remorse
This battleï¬eld is our home
We cannot hide

WINGS THAT I BELIEVE
(Gimme wings, wings to believe)
WINGS THAT I BELIEVE

WINGS THAT I BELIEVE
(Gimme wings, wings to believe)
WINGS THAT I BELIEVE

I am afraid of leaving it all behind
A place called home - Would I be lost
I am afraid of leaving it all behind
A place called home - I wouldn't wanna know

WINGS THAT I BELIEVE
WINGS THAT I BELIEVE
WINGS THAT I BELIEVE
WINGS THAT I BELIEVE

Dedicated forward we say no more
Storm thru our hell with no remorse
This battleï¬eld is our home
We cannot hide

WINGS THAT I BELIEVE
Dedicated forward we say no more
WINGS THAT I BELIEVE
Storm thru our hell with no remorse
WINGS THAT I BELIEVE
Dedicated forward we say no more
WINGS THAT I BELIEVE
Storm thru our hell

WINGS THAT I BELIEVE
WINGS THAT I BELIEVE
WINGS THAT I BELIEVE
WINGS THAT I BELIEVE
