Yesterday, today, tomorrow
Fade away like frozen photographs
Remember, forget
The stakes, the ways you take
The ways you make the moments pass

Forever regret, I tell a beautiful lie
And I would die if you find out
I tell a beautiful lie
Every time that I did not open up my mouth

All the same, it's a game, it's a play, it's a war
It's a shame that we're always fighting for
I don't mean to cast no blame
I don't intend to pretend
I can never loved you more

But in the blink of an eye
Everything you ever knew can change
And it's a beautiful lie
If you think everything will always stay the same

Babe, my babe
You got a secret, it's starting to show
My babe, sweet lady
How long can you keep it?
How far would you go?

You tell a beautiful lie
You tell a beautiful lie
And it's going to
It's going to drive you crazy

Babe, my babe
It's starting to show
My babe, sweet babe
How far would you go, go, go
To tell a beautiful

Yesterday, today, tomorrow
Fade away like frozen photographs
Remember, forget, forever lie, lie, lie

Beautiful lie, yeah
