Sometimes a man is a lost cause  
In a strange time, in a cruel, cruel world  
Sometimes it all, all amount to nothing

Sometimes a day is long, as the night turns cold  
And you just don't know what to feel anymore  
And you live without love, when you live in doubt

Sometimes a man is a fool when he thinks he's wise  
And he just won't see what's before his own eyes  
Sometimes the truth is hard to find

Some times are hard to take  
When your heart aches  
And you just can't shake it off  
Take it away, take it away

And you live without love  
(Live without)  
When you live in doubt, love  
(Live in doubt)

You live without love  
(Live without)  
When you live in doubt, love

Sometimes a man is a lost cause  
In a strange time, in a cruel world  
Sometimes a man is a lost cause  
In a strange time, in a cruel world

Sometimes you try and you try  
And you try  
But you don't know why  
Don't you open your eyes

Sometimes you try and you try  
And you try  
But you don't know why  
Won't you open up your eyes

Sometimes a man is a lost cause

In a strange time, in a cruel world  
Sometimes a man is a lost cause  
In a strange time, in a cruel world

Sometimes a man is a lost cause  
In a strange time, in a cruel world  
Sometimes a man is a lost cause  
In a strange time, in a

Don't let the time you have  
Come down, come down  
Down, down to nothing
