Too many people have the sass!
Too many people support us!
An unlimited amount!
Too many outlets in an out!
Who?!

EMI(X4)

His own friends were crucified!
A day they wish that we had died!
We are an addition!
We are ruled by none!
Ever!
Ever!
Ever!

And you thought that we were faking!
That we were all just money making!
You do not believe we are for real!
Or you would lose your cheap appeal!
And you judge a book just by the cover!
Unless you cover just another!
And blind acceptance is a sign!
A fucking fool to stand in line like!

EMI (X3)
