turn the page and it's the scoop of the century  
don't wanna be L7  
i had enough of this  
this is brainwash  
and this is a clue  
to the stars who fooled you  
tell me why you can't explain  
you're only looking for vinyl  
yeah didn't they fool you  
thy wanna be you

gimme world war three  
we can live again  
you didn't fool me  
i fooled you  
you wanna be me  
yeah you wanna be me  
you wanna be someone  
ruin someone  
yeah didn't i foll you  
i ruined you  
yeah didn't i fool you  
i sussed you out

i got you in the camera  
and i got you in my camera  
a second of your life  
ruined for life  
you wanna ruin me in your magazine  
you wanna cover us in margerine  
and now is the time  
you got the time  
to realise  
to have real eyes

down down down down  
i'll take you down on the underground  
down in the dark  
and down in the crypt  
down in the dark  
where the typewriter fit

down with your pen and pad  
ready to kill  
to make me ill  
down wanna be someone  
wanna be someone  
need to be someone  
you wanna be me  
ruin me  
a typewriter god  
a black and white king  
pvc  
blackboard books  
black and white  
wanna be me
