"My Way"

And now, the end is near
And so I face the final curtain (Ha ha ha!)
You cunt, I'm not a queer
I'll state my case, of which I'm certain

I've lived a life that's full
And each and every highway
And much, much more than this
I did it my way

Regrets, I've had a few
But then again, too few to mention
But I did .. what I had to do
I saw it through without redemption

I planned, each chartered course
each careful step along the highway
And more, much more than this
I did it my way

There were times, I'm sure you knew
When there was fuck, fuck fuck all else to do

But through it all, when there was doubt
I shot it up, or kicked it out
I faced the wall .. and .. the wall
And did it my way

I've loved and been a snake
I've had my fill, my share of living
And now, the tears subside
I find it all so amusing

To think, I killed a cat
And may I say more than my way
"oh no, oh no not me"
"I did it my way"

For what is a brat, what has he got
When he wears hats that he cannot
Say the things he truly feels

But only the words, not what he feels

The record shows
I've got no clothes
And did it my way
