I've seen you in the mirror when the story began an',  
I fell in love with you,  
I love yer mortal sin.  
Your brains are locked away but I love your company.  
I only ever leave you when you got no money.  
I got no emotions for anybody else,  
You better understand i'm in love with myself,  
Myself!  
My beautiful self!

A no feelings!  
A no feelings!  
A no feelings,  
for anybody else!

Hello and goodbye and a runaround too(?),  
You follow me around like a pretty pot of glue.  
I kick you in the head you got nothing to say  
Get out of the way 'cos I gotta getaway!  
You never realise I take the piss out of you,  
You come up and see me and I'll beat you black and  
blue,  
Okay!  
I send you away!

I got no feelings,  
A no feelings,  
A no feelings for anybody else,  
Except for myself,  
My beautiful self-ish!

(Guitar Break)

There ain't no moonlight after midnight,  
I see you silly people out looking for delight,  
Well I'm so happy,  
I'm feeling so fine,  
I'm working all the rubbish,  
or wasting my time.  
I look around your house and there's nothing to steal!  
I kick you in the brains,

when you get down to kneel,  
To pray!  
To pray to your god!

A no feelings,  
A no feelings,  
A no feelings,  
For anybody else!

A no feelings,  
A no feelings,  
A no feelings,  
For anybody else,  
Except for myself,  
Your daddy's gone away,  
Be back another day,  
See his picture hanging on your wall!
