right here we go now  
a sociology lecture  
with a bit of psychology  
a bit of neurology  
a bit of fuckology  
no fun

right no fun  
my babe no fun  
no fun  
my babe no fun  
fun to be alone  
alone and by myself  
fun to be alone  
in love with nobody else

no fun  
my babe no fun  
no fun  
my babe no fun  
fun to be alone  
walking by myself  
fun to be alone  
in love with no friends of mine

maybe go out  
maybe stay at home  
maybe call somebody on the telephone  
so c'mon my baby c'mon  
so c'mon  
i'm alone  
having no fun by myself  
this is no fun with nobody else  
i'm all alone  
by myself  
i'll be alone  
nobody else  
it's no fun  
it;sno fun all alone  
all alone no fun  
all alone

no fun  
i'm alone  
i'm alive  
i'm alone  
and i'm waiting to have my fun  
i'm waiting ain't got no one  
i'm all alone  
this is no fun  
no fun  
all alone  
i'm alive  
no fun  
i'm alive  
i'm alone

no fun  
no fun  
no fun  
my babe no fun  
fun to be alone  
walking by myself  
fun to be alone  
in love with nobody else

maybe go out  
maybe stay at home  
maybe call somebody on the telephone  
so c'mon  
i'm all alone  
so c'mon  
oh come and play  
i'm alone i'm alone  
with nobody else  
i'm alone i'm alone

all by myself  
and i want some fun with somebody else  
my baby's alone on the lavatory  
my babay won't come play with me  
i'm alone  
all alone  
i'm looking at the telephone  
i'm alone  
all alone  
i got nobody else  
i want my fun  
i'm gonna make my own fun  
all alone  
i'm alive  
it's no fun  
i'm alive

no fun  
it's no fun  
no fun

it's no fun  
no fun  
it's no fun  
it's not funny  
i'm by myslef  
i'm alive
