"Submission"

I'm on a submarine mission for you baby
I feel the way you were going,
I picked you up on my TV screen,
I feel your undercurrent flowing.

Submission!
Going down down,
Dragging me down,
Submission!

I can't tell ya what I've found

You've got me pretty deep baby,
I can't figure out your watery love!
I gotta solve your mystery!
Your sitting it out in heaven above.

Submission!
Going down down,
Dragging me down.
Submission!

I can't tell you what I've found!

For there's a mystery,

Under the sea,
Under water,
Come share it.

(Instrumental + Vocal Break)

Submission!
Going down down,
Dragging me down,
Submission!

I can't tell ya what I've found (Elongated)!

'Cos it's a secret,
Under the water

Under the sea,
Octopus Rock.

Got me pretty deep baby,
I can't figure out your watery love!
I gotta solve your mystery!
Your sitting it out in,
Heaven above!

Submission!
Going down down,
You're dragging me down!
Submission!

I can't tell ya what I've found(Elongated)!

Submission(Elongated)!

Submission!
Going down down,
Under the sea.
I wanna drown drown,
Under the water,
Going down down,
Under the sea(Elongated)!
