"The Lake"

Headin out to see the lake
It's almost more than I can take
It's almost deep enough that we can't reach
It's almost deep enough for me

CHORUS:

Hold me under the water
I never thought you'd let me down (drowning)
Hold me close with eyes closed (drowning)
I never thought you'd let me down

Wait for a brand new day
No one likes me anyway
It's almost deep enough that we can't reach
It's almost deep enough for me

CHORUS

(Keyboard Solo)

Oh, oh oh, oh

CHORUS
