Here we are all alone in this room (oh)  
And girl I know where to start and what we gonna do

I'll take my time we'll be all night girl  
So get ready babe I got plans for me and you

Bridge:

It aint my first time but baby girl we can pretend,  
Hey lets bump and grind girl tonight will never end

Chorus:

Let me take u down  
I really wanna take u down  
And show you what im about  
When I take u now  
Your body body oohh  
Your body body up and down  
So don't stop girl get it  
Quit playin wit it  
Can't wait no more
