Five, four, three, two, one

Hold still, wiggle, wiggle, wiggle, go
Wiggle, wiggle, wiggle, go
Wiggle, wiggle, wiggle, go
Wiggle, wiggle, wiggle, stop

Hold still, wiggle, wiggle, wiggle, go
Wiggle, wiggle, wiggle, go
Wiggle, wiggle, wiggle, go
Wiggle, wiggle, wiggle, stop
Hold still

Settle down, settle down now
We're gonna get our wiggles out
Get our wiggles out
Come on, let's play this game
Here we go

Hold still, wiggle, wiggle, wiggle, go
Wiggle, wiggle, wiggle, go
Wiggle, wiggle, wiggle, go
Wiggle, wiggle, wiggle, stop

Hold still, wiggle, wiggle, wiggle, go
Wiggle, wiggle, wiggle, go
Wiggle, wiggle, wiggle, go
Wiggle, wiggle, wiggle, stop
Hold still

Settle, settle down, settle down now
We got all the wiggles out
Now it's time to settle down
Settle, settle down, settle down now

We got all the wiggles out
Got all the wiggles out
It's time to settle down
Hold still
