Time to go outdoors
Time to go outdoors
Feel the warmth of the sun
and the cool of a breeze

Time to go outdoors
Time to go outdoors
Feel the sand between our toes
Play around with the garden hose

Time to go outdoors
Tome to go outdoors
Smell the pretty flowers
Smell the soil and trees, yeah
See the different leaves

whoa oh oh oh oh!

time to go outdoors
time to go outdoors

And when it rains
Feel it fall in our face
Splash in the puddles

Play in the mud

It's so much fun
When we go outside and play
It just might be your favorite part of the day

Time to go outdoors (out!)
Time to go outdoors (doors)
Feel the warmth of the sun (sun!)
And the cool of a breeze (breeze!)

Time to go outdoors (out!)
Time to go outdoors (doors!)
Feel the sand between our toes (toes!)
play around with the garden hose (hose!)

Time to go outdoors x3

Time to go outdoors and play

Let's play!
