Married to the game, she even got a wedding ring
Six white cars and I put that on everything
White Benz, white Porsche, white Bent
White Range, white vet, white brains

All white everything, all white everything
All white everything
I'm 'bout to kill 'em this summer
I'm doin' all white everything

All white everything, all white everything
All white everything
I'm 'bout to kill 'em this summer
I'm doin' all white everything

I gotta white Bent, white pit, even gotta white bitch
When I say white I mean whiter den a light switch
White this, white that in my white sox hat
Used 2 hide dem white packs where my white socks at

White men can't jump but the work can
And this a coupe you can't ride but yo hoe can

Two shifts both stoves me and young
Streets talkin' this the realest shit y'all eva done
Heard if it was snowin' in the summer would the world

I'm talkin' rain and quarter ounce will get yo ass in

Mayonnaise whip, cottage cheese seats
Marshmallow rims, yeah, dat bitch a beast
White Camaro, black stripes call it Tiger Woods
White girl under par birdies in the hood

Married to the game, she even got a wedding ring
Six white cars and I put that on everything
White Benz, white Porsche, white Bent
