Im feelin some kind of way , ready to leave here today  
You cross that line wit me pussy , i shoot ya square in

I keep these niggas in line, i put these hoes in they  
place  
Breaking news look at Gotti , that boy just caught him a

I was lost in the money , these streets was dyin for

I put this rap shit on hold , went and got my niggas a  
bundle  
Niggas 6 feet and under cause they wasnt playin wit  
the king  
That last case i wasnt on the scene , i stood up for the

Never rat on my homies , niggas know im their homie
