[Yo Gotti:]

I mean basically I name it 4 and 1/2 because it's a very special number to me 125 grams I mean some people may not even know what it mean but for the people who do this who it's for

[DJ Drama:]

Aight let me paint the picture use to always sit around talking bout how you was known in the streets when this music shit pop off he was out because he was so damn good at it so you got to the top an the streets still needed you what now

[Yo Gotti:]

Once upon a time in a small city Memphis it was some gangsta young niggas running round through north memphis getting money fucking hoes smoking kush chopper by the house another one by the bush [repeat] democrats no republicans like bush so we had that killer cali we coming in by the bush shoot a hundred bet hundred it ain't nun to me caught a plug take that work that was sum to me one move turned to another then niggas got greedy before you know it we rob the whole fucking city back against the wall cause now we going to war with the whole town caught some of my homies down bad with they guard down

[announcer:]

Yes this is tom anderson reporting live w.h.l.g.v. and I'm coming to you from north memphis were massive gun fire has sadden the community were a young man was shot several times outside of the community grocery store people let's please stop the violence if anybody have any suggestions please dail 527 - gunz

[Yo Gotti:]

A couple funerals had to mask up then the feds scoop have of the whole hood up a couple niggas started pointing fingers around the time back to the basics dropped and I had a nice single had the whole world saying watsup and the feds was trying to see what's

watsup but fuck ya they had 11 witnesses who said  
they bought some or sold some to me niggas all in my  
business and this that real life no bullshitting this that  
straight facts no fiction I see hoe niggas and I just feel  
friction givem one to they head leave they top missing

[DJ Drama:]

Please don't get offended I mean cocaine muzik it's the  
american way let's look at histroy those that get to the  
top never leave street mentality government business  
and you know this motherfucking rap game
