{Schife/ Chorus}

Big body switchin lanes, all the way live,
when we hit the town, FUCK Yea! It's goin down.
Blow up til we throw up, the party never ends,
then wake up tomorrow we gone do this shit again.
we gone do this shit again,
do this shit again, wake back up tomorrow we gone do
this shit again, the money keep comin so the party
never ends, no wake back up tomorrow we gone do this
shit again.
