Drug money itâ€™s gonna buy you what you want,
Drug money itâ€™s gonna buy you what you want,
Drug money itâ€™s gonna buy you what you want,
Drug money itâ€™s gonna buy you what you want.
Fish scale, Iâ€™ll buy you what you want,
Thousand billâ€™s, Iâ€™ll buy you what you want,
A hundred square, Iâ€™ll buy you what you want,
Shoot it through the air, and buy you what you want.

I got plug money, gotta ship it back in Mexico,
Slot money make you shoot yourself like plexico,
Blood money, you fuck â€™round, be the next to go,
Oil money, I got tanks of gas like Texaco.
Drug money, bitch, Iâ€™m running out of head spot,
Shoe money, I had a hundred in a Nike box,
Hoe money, I took my bitch to ball in harbor,
Watch money, whatâ€™s a forty for a starter.
In Mexico theyâ€™re growing weed in the back yard,
In Mexico get a pound, a couple one hundred, dawg.
Exotic money, now I be riding in exotic cars,
Switch my flow up just like future, now I got exotic bars.

Drug money itâ€™s gonna buy you what you want,
Drug money itâ€™s gonna buy you what you want,
Drug money itâ€™s gonna buy you what you want,
Drug money itâ€™s gonna buy you what you want.
Fish scale, Iâ€™ll buy you what you want,
Thousand billâ€™s, Iâ€™ll buy you what you want,
A hundred square, Iâ€™ll buy you what you want,
Shoot it through the air, and buy you what you want.

I got brick money, nine hundred for an ounce of yay,
Streets dry, so nine hundred what they got to pay.
Got a fifty in, got another fifty on the way,
In magic city let the city know itâ€™s time to play,
White whip, stainless steel, bitch, 300K,
I ainâ€™t gotta rap, trap jumping I can stop today.
Columbia, Columbians, I got â€™em on the way.
Lawyer paid more money if I get popped today.
In Mexico my girl plugged when I was 16,
In Mexico I was getting â€™em for the 16,
Thatâ€™s a lot of money, now Iâ€™m riding in exotic

cars,
Switched my flow up, changed my future, now I got
exotic cars.

Drug money itâ€™s gonna buy you what you want,
Drug money itâ€™s gonna buy you what you want,
Drug money itâ€™s gonna buy you what you want,
Drug money itâ€™s gonna buy you what you want.
Fish scale, Iâ€™ll buy you what you want,
Thousand billâ€™s, Iâ€™ll buy you what you want,
A hundred square, Iâ€™ll buy you what you want,
Shoot it through the air, and buy you what you want.
