feat. Young Jeezy & Jadakiss

It's a new year, I can think clear
1000 dollar shades, I can see clear
European made, rolling in the rear

In the home town they is getting near
Near, near, they is on a sweep
Shut the trap down moving down the street
Kush super strong taste super clear
I'm multi nominated gangsta of the year

Year, year, gangsta of the year
Multi nominated gangsta of the year
Year, year, gangsta of the year
Year, year, gangsta of the year

All I want is weight, bitch, I'm cocaine crazy
First check I cashed was like a half of mil from baby
Love for my homies don't give a damn about a lady
125 grams, disco in a baby, 20 cents feet, shooters
coming with me
Body hit the ground and your soul be uplifted
Beat break down them racks set up
And all these haters that get mad at us
Gangsta of the year and no, I don't want a trophy
I just want these fuck niggas to pay me what they owe
me
Gangsta of the year and I don't mean to brag
But the title worth a take, 200 on the dash

It's a new year, I can think clear
1000 dollar shades, I can see clear
European made, rolling in the rear
In the home town they is getting near
Near, near, they is on a sweep
Shut the trap down moving down the street
Kush super strong taste super clear
I'm multi nominated gangsta of the year

Year, year, gangsta of the year

Multi nominated gangsta of the year
Year, year, gangsta of the year
Year, year, gangsta of the year

Gangsta of the world now I'm nominated
Bring it all here, yeah, my own mama hate it
Twelve hundred on my niggas, and all besides the
shots
I left my feelings in the fridge, yeah, that's besides the
top
I'm the last man standing, bitch, I need a trophy
Too much bread in my pocket, bitch, I'm feeling
toasted
Heard them snitch niggas singing yeah that karaoke
Don't fuck with police ass niggas don't even approach
me
Don't you niggas know you can't stop a moving train?
Look at me now, getting paper, still moving, man
Step it up in your face just like Benihana
Told a bitch she make it back, I bought a bitch a Honda
You don't seem to move shit, call me Jeezy Wonder
It ain't nobody vouching for what makes Jeezy a wonder
Gangsta of the year, human chandelier
Wait till you feel my pain, you might shed a tear

It's a new year, I can think clear
1000 dollar shades, I can see clear
European made, rolling in the rear
In the home town they is getting near
Near, near, they is on a sweep
Shut the trap down moving down the street
Kush super strong taste super clear
I'm multi nominated gangsta of the year

Year, year, gangsta of the year
Multi nominated gangsta of the year
Year, year, gangsta of the year
Year, year, gangsta of the year

Yo, I'm really in the hood, all they do is pass through
So hands down I've been a winner for the past few
I got the work to prove it and I got the cash, too
A couple niggas still breathing, guess they passed due
That ain't no surprise, sitting on this pot
AOB, millionaires, sitting on his eyes
We at the table sipping red and we puffing Cubans
I done made a bunch of bread with a couple Cubans
Yeah, you got a bunch of guns but you never use them
Everybody better run as you winner lose it
Shut the trap down, nothing moving
Gangsta of the year till they nominate a new one

It's a new year, I can think clear
1000 dollar shades, I can see clear
European made, rolling in the rear
In the home town they is getting near
Near, near, they is on a sweep
Shut the trap down moving down the street
Kush super strong taste super clear
I'm multi nominated gangsta of the year

Year, year, gangsta of the year
Multi nominated gangsta of the year
Year, year, gangsta of the year
Year, year, gangsta of the year
