Dance floor silly  
That AK-47 play this shit like 'A Milli'  
(I'll bust yo head)  
Yeah, it's ya boy from the M  
Down with Cash Money n them  
(Tryna duck dem feds)  
Wrist game silly  
Neck game feel it  
Mane my car game killin  
(You should see my rims)  
That's a hundred fifty thou'  
Got me ridin in the house  
(You ain't shit like him)  
Hold up I think I hear them people listenin  
200 grand you should see the boy glistenin  
None but hundreds you should call him Mr. Benjamin  
Franklin, well f\*ck it n\*gga bring it then (come on)  
Say the work back high but the kush low (low)  
Them Mexicans they bring it to my front do' (yeah)  
4 G's flat what a pound fo' (fo')  
24 grand what a brick go  
I'll supersoak yo corner with them muthaf\*ckin choppas  
If I catch you with that work betta pop lock and drop it  
(yeah!)  
I don't dance on them hoes, put my car in reverse  
She see them fans on that hoe, I ain't playin with these  
hoes  
Mane my paint job drippin  
Baby mama trippin heard that I was in the strip club last  
nite tippin  
Told her this my muthaf\*ckin money, not yours  
Said you need to stop getting on my muthaf\*ckin  
nerves  
Cause I'm full of dem pills and been sippin that syrup  
And a n\*gga just ran off with like 2 or 3 birds  
And my trigger finger itchin, when I catch him, I'm a kill  
him  
Get my bond money ready; I catch I'm a kill him  
Big pistol like God (God), I don't even smoke  
But I'm breakin down the 'gar with yo b\*tch in the car  
Yeah I got yo baby mama high as a cloud

But I'm 'bout to put her out if she keep talking too loud  
Cause I'm tryna hear this muthaf\*ckin new Lil Wayne  
I'm like B\*tch shut the f\*ck up and keep givin me brains  
Mane it's so much money that it's hard to stay sane  
I'm just tryna stay focused and keep doin my thang  
Quarter 5, leave tomorrow  
Yeah we play games  
Pull up at the club in a fleet of cocaine  
White Georgia, White Lexus, White truck, White Benz  
White on White leather chrome lips with them white  
rims  
White girl, white boy shout out to my White friends  
Mexicans, Colombians who help me bring that white in  
Who help me bring that white in
