Dear Ghetto America,
A letter from the hood I'm from,
From every nigga in the trap, every nigga in the slums,
Dear Ghetto America
Someone tell the president,
My hood like Afghanistan, armed and we pay the rent.
Dear Ghetto America
Tell Iraq I got that oil, got that purple, got that yellow
Nigger what you're paying for?
Dear Ghetto America
Invested in my private stock
Cocaine music group, CMG, all white block.
Dear Ghetto America
Work but I don't bust no clock
Work but I don't bust no clock
Work but I don bust no clock
Dear Ghetto America
You want me to drop dead,
But instead me & Gotti came through in that drop head
Dear Ghetto America,
Want me downtown doing time but instead I'm with the
industry doing mine
Dear Ghetto America
Lock me up for residue, won't get jobs cause felons
well that's
every nigga in my crew.

Dear Ghetto America, land of the thugs,
Land of the thugs, land of the drugs.
Dear Ghetto America, in God we trust and power,
Knocking down two tal thick bitches twin towers
Dear Ghetto America
Dear Ghetto America
I pledge allegiance, nigga
Dear Ghetto America , right hand to God
Dear Ghetto America Other hand to the strap ,
ya feel me ?

I pledge allegiance to the plug that turned my life
around,
Streets been hot as shit for politics, yeah its going

down.

Today I payed my taxes so I'm feeling like I took a loss,
Government want half on that ass yeah, it break 'em
off.

Dear Ghetto America, trying to make the Forbes' list,
Label me to democrat, I wanna be republican.
I feel like Obama so much pressure on a nigga now,
You accidentally shot your home boy, so you're a killer
now?

Fuck niggas be killing me, two shots to my enemy,
Always be your damn self, never be a wanna-be.
Coming through traffic back to back like a motorcade,
But eythang white instead of black in the motorcade
Feeling presidential in a phantom, bitch, I'm JFK,
Ronald Reagan campaign, shipping in alota yay.
Im Mr Bill Clinton getting head in the Oval room,
Dear Ghetto America Yo Gotti for office soon

Dear Ghetto America, land of the thugs,
Land of the thugs, land of the drugs.
Dear Ghetto America in God we trust and power,
Knocking down two tall thick bitches twin towers
Dear Ghetto America
Dear Ghetto America
