I pull up in my cutlass hat cocked handling business  
Fresh up out of court and I'm right back on my grizzly  
I be on my grizzly, I be on my grizzly  
Ball like the playoffs Aston Martin take off, take off,  
take off  
Yeah bitch, take off,  
Got some goons, I got some goons that what I call a  
face off  
Nigga face off, swish, nigga face off  
Hit him in his ass  
But I was trying to take his face off

50 packs of kushin nigga balling like I'm Zeebo  
Rich crest apartments I'm the neighborhood hero  
More white than mayo now can you say swish?  
I'm the king of Memphis and I'll be balling like a bitch  
On my dope shit, coke shit, niggas know me  
I'm the blueprint, the street shit, niggas owe me  
Offense, water boy, you ain't play no D  
Wide open shot and you ain't take it, you in the D  
league  
Draft pick NBA shit, Davis Sterling  
Contract and the chopper bet these pussys gonna learn  
You try to run go catch the people  
Shot his ass with a buzzer beater  
Nigga hit the trunk so many times  
Nigga knocked the tweeters up out his speakers

I pull up in my cutlass hat cocked handling business  
Fresh up out of court and I'm right back on my grizzly  
I be on my grizzly, I be on my grizzly  
Ball like the playoffs Aston Martin take off, take off,  
take off  
Yeah bitch, take off,  
Got some goons, I got some goons that what I call a  
face off  
Nigga face off, swish, nigga face off  
Hit him in his ass  
But I was trying to take his face off

Got on my old school penny's

See they know I'm winning, few real niggas like me but  
it really ain't many, true  
I'm from North Memphis, (I am) chillin' on the courtside  
Grew up down on Watkiss, went to school in North Side  
Bitch I'm out here getting it may God be my witness  
Any nigga put his hands on me then there gon be a  
killing  
Heart got no feelings, top got no ceilings  
Cruising past Bill top dropped where the bitches  
Peabody Presidential sweet 220  
Tonight I'm hitting the pure and I'm a make it rain 20's  
I'm on young nigga shit, I swear I sold it all  
I had bricks the color of Battier and white as Marc  
Gasol

I pull up in my cutlass hat cocked handling business  
Fresh out of court and I'm right back on my grizzly  
I be on my grizzly, I be on my grizzly  
Ball like the playoffs Aston Martin take off, take off,  
take off  
Yeah bitch, take off,  
Got some goons, I got some goons that what I call a  
face off  
Nigga face off, swish, nigga face off  
Hit him in his ass  
But I was trying to take his face off  
Swish swish, swish swish  
Handling business, right back on my grizzly  
Swish swish, swish swish  
Handling my business, right back on my grizzly  
Hey, on my grizzly, right back on my grizzly  
On my grizzly, right back on my grizzly  
Kill 'em, my grizzly, kill 'em, my grizzly  
Handling business, right back on my grizzly

I pull up in my cutlass hat cocked handling business  
Fresh up out of court and I'm right back on my grizzly  
I be on my grizzly, I be on my grizzly  
Ball like the playoffs Aston Martin take off, take off,  
take off  
Yeah bitch, take off,  
Got some goons, I got some goons that what I call a  
face off  
Nigger face off, swish, nigger face off  
Hit him in his ass  
But I was trying to take is face off.
