Have mercy on me, put curses on me  
Them niggas in the hood, they ain't working without  
me  
I'm yo to the g, tt to the dot  
Paranoiac, schizophrenic, you move, you getting shot  
It's just a different day, a different night  
A different bitch, the same click, another brick of white  
And I promise I'm from the hood, let's get this shit  
understood  
Thinking about snatching my chain and I'm wishing  
you well would  
I'm king of my city, I'm ahead of my crew  
And them younging will kill whenever I say shoot  
Your life ain't worth shit, so watch how you talk  
Don't step on my shoes, so watch where you walk

This game is a motherfucker, the main reason why, I  
don't trust a motherfucker  
So don't speak to my bitch, just watch how she walk  
If you play with my bricks, I'll break that ass off

[Hook]

Have mercy on me, have mercy on you  
Have mercy on me cause I know what I'm gonna do  
Have mercy on me, have mercy on you  
Have mercy on you on mark my soul so when my heart  
turn cold

You know where I come from, you know what I've  
been through  
If you difference beg me then you know what I'm  
gonn do  
You know that I'm gonna shoot, have mercy on you  
And lord forgive me but I did what I had to  
I'm glad I met you, I'm glad that I let you  
Mean I laid and I prayed and I stayed you came  
through  
My life was so wrong, put life in this song  
Lil life fearing mike like my life could be gone  
Cause 6 for a zone, 20 for a phone, 50 thous for a  
corder

You know what they going for  
Put ice in my watch, put ice in my chain  
Put rims on that benz and my life ain't been the same  
It's just a different day, a different club  
A lot of blood money and a whole lot of drugs  
I'm with thug I mean me, and no strapped in this bitch  
He fall on his toes, so no mercy on this snitch

[Hook]

Have mercy on me, have mercy on you  
Have mercy on me cause I know what I'm gonna do  
Have mercy on me, have mercy on you  
Have mercy on you on mark my soul so when my heart  
turn cold
