The pussy the rappers
I am a real nigger
I ain't like them
Nothing like them

Straight out of... counter pound of weed
... the gun on purple... niggers wanna kill me bang bang
... I am real rich call me triple... million dollar copi am a
star like ricky ross... bitch I am the boss
... what you hear my niggers gonna stay...
We need bigger... look into my eyes and you realize
The pussy the rappers
I am a real nigger
I ain't like them
Nothing like them
The pussy the rappers
I am a real nigger
... nothing like them

Let... what the fuck you think

Niggers acting like a gangsta but they know they ain't
... g4 already... we are not the same... you got in tis
bitch
With all this ice on in the vip they cut the lights off
Popping bottles all night long...
The pussy the rappers
I am a real nigger
I ain't like them
Nothing like them
... the pussy the rappers
I am a real nigger
I ain't like them
Nothing like them
