In love with guns & he can't stop clubbing,
Never could tell him nothing

Player made niggas, man who flip hoes off myspace
Luxury in driveways let your roof back nigga
That half of pill ain't doing the job, then throw ya two

Lats to drop, but off the top, the whole world know I'm

From yo stae to 28, niggas got many hustles
My brothers the trill fam, love me because I'm loyal
Duke keep his shit strapped, because my watch will get

Niggas heads get bust, feds get dust
My trill niggas out here ready to bust
