I'm on fire, whole 'hood blazin'
Hustle game incredible, ice game amazin'
Look in the mirror, look in the mirror, look in the mirror,
look in the mirror
Look in the mirror, look in the mirror, look in the mirror

Mirror like a chandelier, look in the mirror, mirror
Ice super clear, clear, you lookin' in the mirror, mirror
Who you here to see when you look in the mirror
If you a real nigga, you lookin' in the mirror, mirror

I'm on fire, whole 'hood blazin'
Hustle game incredible, Ice game amazin'
Look in the mirror, look in the mirror, look in the mirror,
look in the mirror
Look in the mirror, look in the mirror, look in the mirror

6 in the mornin' my alarm goes off
Dope come out the pot, then stove goes off
Knock, knock on the door I'm standin' ho on soft
Nigga try to rob me get his nose blowed off

Am I a real nigga? Point-blank peer
If you a pussy-nigga, you need pants for your peer
Damn right I'm gettin' money, half a million on the chair
It's goin' next in me if you don't think a nigga ser'

My whole house glass, look in that reflection
I'm cocaine crazy, got a all white section
All my niggas Mafia, I never even heard a ya
Quarter brick, half a brick, my young niggas will
murder ya, murder ya

I'm on fire, whole 'hood blazin'
Hustle game incredible, ice game amazin'
Look in the mirror, look in the mirror, look in the mirror,
look in the mirror
Look in the mirror, look in the mirror, look in the mirror

Mirror like a chandelier, look in the mirror, mirror
Ice super clear, clear, you lookin' in the mirror, mirror
Who you here to see when you look in the mirror

If you a real nigga, you lookin' in the mirror, mirror

Wake up in the morning and I wash my face
Brush my teeth and put my gun on my waist
Louis belt: check, Louis shoes: check
Car on my wrist and a house on my neck

Last I remember I was standin' on Garland
Barin' kin for the hundred, I done reach Crescent
Projects
Drop B-team material on 106th and Park
And no mistake, Gucci dead fresh on the regardless

I represent the Dope Boyz, I can't say it any clearer
You lookin' at me when you lookin' in the mirror
I motivate the trap, give the 'hood niggas hope
'Cause I became a millionaire and now I'm sellin' dope

I'm on fire, whole 'hood blazin'
Hustle game incredible, ice game amazin'
Look in the mirror, look in the mirror, look in the mirror,
look in the mirror
Look in the mirror, look in the mirror, look in the mirror

Mirror like a chandelier, look in the mirror, mirror
Ice super clear, clear, you lookin' in the mirror, mirror
Who you here to see when you look in the mirror
If you a real nigga, you lookin' in the mirror, mirror

Pulled a nine from the kitchen, it's the Pyrex King
Straight from Northern Memphis to your T.V. screen
Couple foreign cars, all white everything
Keep a cool hundred grand in my Levi jeans

White and red colors, same color as a Smirnoff
One ticket, two ticket, I could take a year off
Got my money up, think I'm movin' where the beach is
Most dollar 'hood and famous, where the fuck is Robin
Leach at?

I'm on fire, whole 'hood blazin'
Hustle game incredible, ice game amazin'
Look in the mirror, look in the mirror, look in the mirror,
look in the mirror
Look in the mirror, look in the mirror, look in the mirror

Mirror like a chandelier, look in the mirror, mirror
Ice super clear, clear, you lookin' in the mirror, mirror
Who you here to see when you look in the mirror
If you a real nigga, you lookin' in the mirror, mirror
