First of the month, the trap be jumping like a Gotti show,
Strapped up shawty goons on deck everywhere that Gotti go.
Long hair, super fine, she must be a Gotti hoe,
Two mil' for the deal, yeah, that's that new Bugatti flow.
House look like a mini mall, driveway like a dealership,
Niggers from Afghanistan they got them banana clips,
Yellow gold Rolley watch yelling that Ferrari drop.
Pulled up with my shirt off up in 48 the parking lot,
V-neck and my true's on, sipping on that Don P,
Walking like on Mardi Gras, yeah, I ride 100 deep.
Hundred deep, hundred bands, had to fuck a hundred freaks.
Understood you know be fucking and sucking to get in the club with me.
Let me see you represent your hood, twist your fingers up,
Pistols in the club and we gonna bang, we don't give a fuck.
Bottles of champagne, doing my thing, time to celebrate,
Haters looking mad across the room, fuck it, let 'em hate.

Purple flowers, fuck boy, you a coward,
My shades five bands, my shoes 'bout a thousand, my t-shirt 600,
No standing on the couches,
Purple flowers, fuck boy, you a coward.
My shade's five bands, my earrings fifty thousand, my t-shirt 600,
No standing on the couches, purple flowers,
I'm sipping on purple flowers, I sent your bitch purple flowers,
And I fucked that bitch for an hour.

Uncle Rob got it when I see him, suicide attempt,
Balling on the niggers, pull so doping, bitch, I'm sure to kill.
Pull up in that 'rarri 360, bitch, I'm doing it.

Bullets doing the fucking windmill when that Yoppa speak.

All I do is ball, nigger, all I do is turn it up.

Let you nigger wipe these hoes all I do is burn it up.

I set appointment in the back of the lab,

Then I got on the phone, my niggers took over my mind.

Money took over my future, bitch, I'll pull up in that thing for life.

I'm back in the future and I got the niggers there to shoot you.

Smoking purple that super, we're rocking, suck it, medusa,

Us, real niggers is the rock, play with me and I'll do you.

Purple flowers, fuck boy, you a coward,

My shades five bands, my shoes 'bout a thousand, my t-shirt 600,

No standing on the couches,

Purple flowers, fuck boy, you a coward.

My shade's five bands, my earrings fifty thousand, my t-shirt 600,

No standing on the couches, purple flowers,

I'm sipping on purple flowers, I sent your bitch purple flowers,

And I fucked that bitch for an hour.

Purple flowers, purp, purp, purple flowers,

Purp, purp, purple flowers.

Purp, purp, purp, purple flowers.

Purple flowers, purp, purp, purple flowers.

Sipping on purple flowers

And I'm blowing on purple flowers.
