[Gucci Mane - Verse 1]Ridiculous,

All the flows I carry stickin'
It ain't no comparison the clarity is excellent
Breitling cost ya budget bitch that's why a nigga flexin'

Coulda bought a mini mansion but I bought a necklace
Coulda bought a Bentley but instead I bought a
Chevrolet
Donk is sittin' ridiculous, thaik I'm hittin' switches bitch
Nah them ain't no switches
Bitches chrome liftes 26's
Trap house with 'bout twenty kitchens
Twenty chickens
Twenty minutes
Twenty chickens
Twenty minutes
I'ma scratch out every penny
Two will make a three and that one will bring an extra
twenty
I was gettin' it, I admit it
But right now I'm extra gettin' it
MVP is my statistic I just scored a triple double
Coke and kush and extacy my trap is guaranteed to
bubble
MVP is my statistic I just scored a triple double
Coke and kush and extacy my trap is guaranteed to
bubble
